

WAUKEGAN PORT DISTRICT

ORDINANCE 2018-O-03

**AN ORDINANCE ASCERTAINING THE PREVAILING RATE OF WAGES  
FOR LABORERS, MECHANICS, AND OTHER WORKERS  
FOR WAUKEGAN PORT DISTRICT PUBLIC WORKS PROJECTS IN 2018**

**WHEREAS**, the Waukegan Port District (“*District*”) is a political subdivision, body politic, and municipal corporation established in accordance with the Waukegan Port District Act, 70 ILCS 1865/1, *et seq.*; and

**WHEREAS**, the State of Illinois has enacted “An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by anyone under contract for public works,” approved June 26, 1941, effective July 1, 1941, and codified as amended at 820 ILCS 130/1 *et seq.* (the “*Act*”); and

**WHEREAS**, the Act requires that the District investigate and ascertain the prevailing rate of wages as defined in the Act for laborers, mechanics, and other workers in the locality of the District who are employed in performing construction of public works for the District;

**NOW, THEREFORE, BE IT ORDAINED** by the Chairman of the Board and Board of Directors of the Waukegan Port District, Lake County and State of Illinois, as follows:

**SECTION 1. RECITALS.** The foregoing recitals are hereby incorporated into this Ordinance as findings of the Chairman of the Board and Board of Directors.

**SECTION 2. ASCERTAINMENT AND APPLICATION OF PREVAILING WAGES.** To the extent and as required by the Act, the general prevailing rate of wages in this locality for laborers, mechanics, and other workers engaged in construction of public works coming under the jurisdiction of the District is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Lake County area in effect as of June 2018 as determined by the Department of Labor of the State of Illinois, a copy of that current determination being attached hereto and incorporated herein by reference as Exhibit A. As required by the Act, any and all revisions of the prevailing rate of wages by the Department of Labor will supersede the Department of Labor’s current determination and apply to any and all public works construction undertaken by the District. The current prevailing rate of wages are available to the public on the Department of Labor’s website.

**SECTION 3. CONTRACTORS’ RESPONSIBILITY.** Each contractor or subcontractor engaged in construction of public works for the District to which the general prevailing rates of hourly wages are required by the Act to be paid must submit to the District a certified payroll on a monthly basis, in accordance with Section 5 of the Act. The certified payroll must consist of a complete copy of those records required to be made and kept by the Act. The certified payroll must be accompanied by a statement signed by the contractor or

subcontractor that certifies that (A) such records are true and accurate, (B) the hourly rate paid is not less than the general prevailing rate of hourly wages required by the Act, and (C) the contractor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class B misdemeanor. A general contractor may rely on the certification of a lower tier subcontractor, provided that the general contractor does not knowingly rely upon a subcontractor's false certification. On two business days' notice, the contractor and each subcontractor must make available for inspection the records required to be made and kept by the Act (i) to the District and its officers and agents and to the Director of the Illinois Department of Labor and his or her deputies and agents and (ii) at all reasonable hours at a location within the State.

**SECTION 4. DEFINITIONS; APPLICABILITY.** The definition of any term appearing in this Ordinance that also is used in the Act will be the same as in the Act. Nothing in this Ordinance may be construed to apply to the general prevailing rate of wages for Lake County as herein ascertained to any work or employment except public works construction of the District conducted in Lake County to the extent required by the Act.

**SECTION 5. POSTING AND INSPECTION NOTICES.** The District must publicly post or keep available for inspection by any interested party in the main office of the District this determination or any revisions to the prevailing rate of wages for Lake County. A copy of this determination or of any revised determination of prevailing rate of wages for Lake County then in effect must be attached to all public works construction contract specifications. When a public work project has been awarded with the use of a public bid, contract, or project specification, then reference to the rates stated in Exhibit A must be included in the bid, contract, or specification, and when a public work project has been awarded without the use of a public bid, contract, or project specification, then written notice must be included on a purchase order related to the work or on a separate document that not less than the rates stated in Exhibit A must be paid to all laborers, workers, and mechanics performing work on that public work project.

**SECTION 6. FILING.** The District must promptly file a certified copy of this Ordinance with the Department of Labor of the State of Illinois.

**SECTION 7. PUBLICATION.** The District must cause a copy of this Ordinance to be published in a newspaper of general circulation within the area within 30 days after its filing with the Department of Labor of the State of Illinois, and that publication will constitute notice that this determination is effective and that this is the determination of the District.

**SECTION 8. MAILING ON REQUEST.** The District must mail a copy of this determination to any employer, and to any association of employers, and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

**SECTION 9. EFFECTIVE DATE.** This Ordinance will be in full force and effect from and after its passage, approval, and publication in the manner provided by law.

**PASSED** this 19<sup>th</sup> day of December, 2018.
